

Lake Ralph Hall Procurement Schedule Update

June 12, 2020

The Upper Trinity Regional Water District received its permit for Lake Ralph Hall from the U.S. Army Corps of Engineers under Section 404 of the Clean Water Act in January of 2020. This permit authorizes the District to proceed with construction of Lake Ralph Hall under the conditions set forth in the permit.

The District's Board of Directors has authorized staff to procure the services of qualified firms for the following Lake Ralph Hall Program Elements:

- Roadway Relocations - Selection scheduled June 22, 2020
- Mitigation - **RFQ advertised on CIVCAST June 12, 2020**
- Leon Hurse Dam - Projected advertisement July- August, 2020
- QA Material Testing Laboratory Services- Projected advertisement July- August, 2020

UTRWD appreciates the interest of the engineering and construction industry in the Lake Ralph Hall Program. We invite and encourage all interested firms to continue to monitor this website and CIVCAST for further updates on Lake Ralph Hall.
